

“Samir’s favorite methodology is agile project management, which he successfully applied to many large & small projects.”

The Future of Your Project Management Career

Presented By Guest Speaker
Samir Penkar, PMP, MBA

ABOUT THE SPEAKER

Samir loves challenging projects – high speed, high stress and big gains. His favorite methodology is agile project management, which he successfully applied to many large & small projects. An active volunteer for the PMI chapters through the nation – from Maine, to Minnesota, Samir has devoted countless hours volunteering for local PMI chapters, working with, managing and observing project managers.

He has grown from the trenches of project management leading projects from \$10,000 to \$8 million with team sizes ranging from a few to over 150 resources.

He is part of the E2 Practice at Trissential, an improvement company focused on strategy, management and execution.

Samir lives in Eden Prairie, Minnesota and loves to fly kites, run marathons, and is a certified running coach.

The presentation will offer:

- An overview of PMI’s career development framework
- Awareness of different PM career ladders
- Trends that are shaping project management today
- Principles to set your career on the right trajectory

The PMI Tampa Bay Chapter has been promoting Project Management since 1992, with over 1,200 members we are the 32nd largest chapter in the United States. We offer genuine opportunities to network with other project management professionals to share experiences and best practices. Regardless if you are a member of PMI or not, we welcome you to attend the PMI Tampa Bay chapter meetings and any other functions that may interest you.

Monthly Meetings

Third Monday of each Month
